

Rotational Molding, Repair, Recycling...Your Complete Plastic Solution

Standard Colors

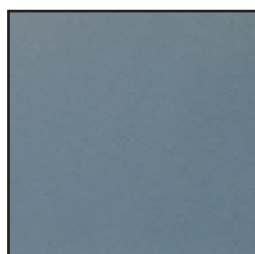

Available in a choice of 15 Standard colors to color coordinate or brand your containers with company colors. Colors do not crack chip or fade. Color selection is available in virgin plastic material only; recycled plastic material comes in black only. To request actual color chips samples, call 800.304.4600. Please note that colors may vary depending on container size.
